Killer Chocolate Sauce is now available Whole Foods
Markets

Heat Martha's 'Killer' Chocolate Sauce in a pan of
boiling water until you can pour it from the jar. Use
tongs, etc. so you don't get burned.

Add Brandy to taste, optional

Pour the warm Sauce into a bowl and refrigerator for
1 hour

Use a melon baller to scoop Sauce onto a sheet pan lined with parchment paper,
refrigerator another 30 minutes.

Place Cocoa Powder, Nuts, Toasted Coconut, Orange Zest, etc. in their own pie pan
and gently roll Truffles to coat. If Truffles get warm refrigerate for a few minutes.

Refrigerate until ready to serve
